From One to Three Hundred

Dear Praying Friends,

As 2026 comes to a close, our hearts are full. Thank you for praying for us, giving, and cheering us on. You are part of every story we get to tell.

On the family front: Ráhel and Daniel are enjoying parenting sweet little Clara in Cambridge, UK. Our sons, Renátó and Gergő, continue their careers in Hungary. We see them far too rarely. It is hard not to be there to hear Clara's first words or to share important moments in our kids' lives. Edina's elderly parents also need more and more help.

So what keeps us here, so far from family? Like Paul, we feel "constrained by the Spirit" (Acts 20:22). We are convinced God called us to help multiply the church in the U.S. for such a time as this. And we keep seeing stories like this one, where God takes one person's faithfulness and multiplies it far beyond what we could imagine.

John, an affiliate staff member with Church Movements, **began discipling two men**, Todd and Rolf. Todd discipled Ian, who started a prayer gathering among oil workers in North Dakota. **Today, about 300 people meet every Wednesday at 5:30 AM to pray.** Rolf owns a construction business and led one of his employees to Christ. When he shared his dream of business owners using their companies to make disciples, a home builder named Jason stopped him mid-sentence: "Stop, I'm in. I don't just want to give money to a church. I want to make disciples!" Today, Rolf is discipling Jason and nine other business owners.

One man invested in two. Now 300 people are praying, and a group of business owners is dreaming about reaching others like them. This is the heart of our mission: ordinary people making disciples who make disciples, right where they live and work.

We consider it an honor to lead about 140 staff serving in 82 U.S. cities. In 2026, we've seen over 1,100 people come to saving faith in Christ and 112 new churches planted. **You are part of every one of these stories!** As we look toward 2027, we are trusting God for three needs:

- Our monthly support. This year our monthly giving has fallen short by about $375 a month. A year-end gift helps close that gap, and new monthly partners would help even more.
- $14,000 for travel and staff care, so we can be with our staff in person to coach and encourage them.
- $6,000 for family visits, so we can see our kids and grandkids and help care for Edina's elderly parents in Europe.

Would you prayerfully consider a special year-end gift to help meet these needs? If the Lord leads you to give, you may use the enclosed envelope, **visit give.cru.org/0636800**, or **scan the QR code below**.

Thank you, from the bottom of our hearts, for your prayers, love, and faithful support.

With love and gratitude,

Gábor & Edina
